

# 2025 Gallia SWCD Tree Sale Order Form

Tree and shrub seedlings, ground cover, and various seed mixes are offered in this year's sale. These products are excellent for wildlife habitat, windbreaks, landscaping, stream buffers, ground cover, Christmas trees, and more. The sale is open to everyone and plants may be planted without restriction.

Seedlings are 1-3 years old and average **6-18 inches in height**. Seedlings are bare rootstock and are dipped into a preservative gel before they are placed into a plastic bag to keep them moist. Please send someone to pick up your seedlings if you are not able to come yourself. The District does not offer reimbursements for any trees that do not survive.

Order forms and payment are due to Gallia SWCD on Friday, February 14, 2025. You may use the form included in this newsletter or the form on the District website. The **"Tentative"** order distribution date is set for Friday, April 4, 2025 from 8 a.m. to 4:30 p.m. A phone call will be made to confirm exact pick-up dates, location, and times. Seedlings should be planted within 5 days after pick-up and watered regularly to assure their vitality.

**\*\* The District asks that payment is received in full before trees and shrubs are ordered.**

Call the office or visit [www.galliaswcd.com](http://www.galliaswcd.com) for more information and detailed descriptions of all the items available through this year's tree sale.
