Gallia SWCD is hosting Conservation Camp at the Gallia County Jr. Fairgrounds on June 3-5, 2019. This camp is open to ages 5- Adults. It is a day camp from 9:00 am-3:00 pm. Our mission is to educate the youth & their families on conserving our natural resources. We are asking local business owners and other organizations to assist us by donating your time, supplies, and or money. We have also included an affiliate membership where you can donate money to our district for several activities throughout the year and in return; we will advertise for your business/ organization for free. See attached form.
